

**THE DIGITAL SOLUTION
THAT MANAGES YOUR
PROJECT FROM CONCEPTION
THROUGH COMPLETION**

Toadfly IPS is the turn-key solution for turnarounds that saves time and money.

IPS is leading our industry with its technology. By adapting to exceed the sector's needs, IPS is the most comprehensive proven solution on the market. IPS delivers constant value from its single platform. It digitally links field personnel and efficiently reduces lag times with routing, drive time, and cost savings. IPS is an evolved platform that seamlessly updates information in the field. Its 360° routing matrix increases efficiency and productivity. Years of proven platform performance eliminates the risk of a singular focused option.

Built on industry best practices using PMBOK® formulas, IPS is your cost solution. Our robust change management process and customizable costs dashboards allow you to capture and report contractor performance in real-time, eliminating communication failures.

Over 30% of refining capacity and 25% of the top chemical manufacturers in the United States trust Toadfly IPS to efficiently manage their turnarounds.

Planning
